

Card Game - War

This game can be played with 2 or more players

Materials:

A deck of cards

How to Play:

- Deal the cards out so that each player has the same amount
- Keep your cards face down without looking at them
 - Each player flips a card face up at the same time
 - The player with the bigger card gets to take both cards
 - If both players flip the same number (war) you each put 3 cards face down and flip a forth card on top. The highest number wins all the cards.
- If you run out of cards mix you win pile back in
- The game ends when one person gets all the cards
- A can be high or low as long as you set the rule for the entire game
